Mr. L. Wayne Shepherd, Area Manager T.C.I., p.c. 1135 Yellowstone, Suite D & F Pocatello, Idaho 83201

Dear Wayne,

With this letter, I am returning to you three original copies of the proposed Professional Services Agreement between AVI and PDA for engineering and design for Pocatello's Newtown Urban Renewal project.

You will note that I have signed each agreement, and that PDA's Chairman, John Carlson, has witnessed my signature. PDA does not have a corporate seal. However, I can affirm that at PDA's last Board meeting I was given the authority and direction to sign this document.

The PDA Board is pleased that your firm is able to undertake this work, and that AVI has already completed field surveying and basic project layout.

When a fully-executed copy is available, please direct it to my attention at the address on this letterhead.

Cordially,

Thomas A. Arnold Executive Director

CLARIFICATION OF BANNOCK COUNTY'S INVOLVEMENT IN NEWTOWN REVENUE ALLOCATION DIST #4-----

- Sept. 30, 1991 Assessors office received letter from Mark Reid advising us of the parcels involved in the creation of this new District Involved only 12 real property parcels.
- Dec. 19, 1991 City Passed Ordinance
 Nothing recorded for the County
 Nothing sent to the State Tax Commission

In conversations with Tom Arnold about other business involving Urban Renewal questions and problems, I was assured that the Ordinance had been sent to the City Clerks office to be recorded and sent to the State Tax Commission.

- Jan. 22, 1992 Received new Code Area maps and changes from the State Tax Commission.

 No Revenue Allocation Dist #4 (Spoke of my concerns to Tom Arnold at this time.)
- Feb. 11, 1992 1st PDA meeting I attended as member-elect.

 -Asked about Ordinance not being recorded for for the County Assessor's office.

 -Asked if copy of Ordinance had been sent to State Tax Commission.

 -Was to be looked into and info given to me.
- Mar. 18, 1992 Ordinance received by the State Tax Commission.
 Still nothing to the County Assessor.
- Mar. 19, 1992 2nd PDA meeting

 -Tom Arnold had the City Clerks office photo me
 copy of the Ordinance.

 -Gave copy to County Plat Room Technician to
 identify and see if legals were correct.
- Apr. 17, 1992 Received STC form accepting the Creation of
 Newtown Urban Renewal Dist Ordinance #2393
 -Showing that it would appear on the 1993 maps.
 -Questioned as to whether the District was valid
 for the year 1992 or did not exist until 1993.
- May 1, 1992 1st Conference with County Commissioners,
 Assessor, Chief Deputy Assessor, Mayor, Pete
 McDougal, and Tom Arnold to ask questions about
 our concerns with the District being valid for
 1992- with the State Tax Commission.
 - 2nd Conference call with State Tax Commission clarifying question about formation, base year, etc. Letter from State Tax Commission attorney followed.

- State Tax Commission had used the same map and legal that the County had used.
- -Involved 681 Real Property parcels & improvements

 150 Pers Prop parcels & inventory

The Mayor offered data entry people to help get this work done since the Ordinance had not been received by the County in a timely manner, creating a "real" problem. This offer was denied only because the training and auditing of new people at this time of year would take more time than we had.

All data entry and auditing for all of Bannock County had to be finalized as close to May 15, 1992 as possible to get the in the Assessment Notices in the mail before June 1, 1992 (Idaho Code).

Eileen Collins in the Data Processing Dept is very familiar with our data entry screens, uniformity, and programs, she did the original parcel master creation and deletion for the Assessor's office to be able to continue the current work that had to be completed and do the transferring of improvements and inventory for Urban Renewal. Neither the DP Dept or the Assessor had any overtime budgeted for this kind of an emergency. I understood at our 2nd conference call that we were to do what we needed to do to get the work done and the payment of such would be shared.

Data Entry involved---

- All 831 files had to pulled.
 -Assessors office has a parttime employee that we used for this job, but had not budgeted for an extra week pay.
- Create a new parcel master file for all 831 parcels.
- 3. Retyping Owner name to Void for 92 and Legal description to Now (New Urban Renewal #) because we have to leave the existing # active for the Treasure's office for delinquent taxes and also when Rev Allocation is paid out in 10-12 years these parcels will have to revert back to the old #'s.
- 4. All improvements on the Real Roll and all inventory on the Personal Property Roll had to be transferred.
- as a lump sum after the transfer if they had not been reappraised on the new manual. This process had to be audited closely.

Page 3 of 3

- All Home Owners Exemption and Circuit Breakers exemptions had to be transferred by hand.
- 7. All parcels involved had to have the Urban Code of 9202 and Base value (from a printout of 1991 values) entered.

May 12, 1992 - PDA meeting

-All of transfer work done and final entry of Urban Code and Base values almost complete).
-Mark Reid questioned the legal (should have been only the original 12 Real Prop & 2 Pers Prop parcels. He was not at the 2 conference call meetings in May.)

-Clarification with the State Tax Commission (Difference between an Urban Renewal Area and a Revenue Allocation District explained.)

As of this late date the County needed a program written to transfer all the information back to its original status and time to check out others changes that were made on the existing parcels between the time frame of new numbering and old (2 weeks). We were still working on current changes being made for the Assessment notices sent out before June 1.

Overtime hours reported were for the overtime spent on this project only, not for all the hours spent entering and creating the new district.

WHEREAS, the proposed Financing Documents have been presented to the Board at its meeting on this date for its review and consideration; and

WHEREAS, there have also been presented to the Board Affidavits of Bond Counsel and of the Bond Underwriter (the "Affidavits"), which state that the Bonds cannot be marketed and sold because an unqualified opinion of Bond Counsel cannot be given due to certain legal questions, set forth therein, which are in need of judicial determination and confirmation under Title 7, Chapter 13, Idaho Code, as amended (the "Judicial Confirmation Law"). The affidavit of the Bond Underwriter also states the Underwriter's commitment to purchase and market the Bonds subject only to the issuance of the unqualified opinion of Bond Counsel and final determination of interest rates and payment dates; and

WHEREAS, after reviewing the Financing Documents and the Affidavits, the Board approves of the form of the Financing Documents, but is unable to adopt the Bond Ordinance authorizing the Bonds and the other Financing Documents until the legal issues set forth in the Affidavits have been judicially confirmed under the Judicial Confirmation Law.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Board of Commissioners of the Pocatello Development Authority, as follows:

- 1. The Financing Documents are hereby approved as to form and it is determined that, except for the problems of selling the Bonds due to the legal issues set forth in the Affidavit, the Agency would adopt the Financing Documents in substantially the same form as attached hereto except as to matters of interest rates, payment dates, etc. which can only be determined once the Bonds can be marketed and sold by the Bond Underwriter.
- 2. The Board hereby instructs Agency legal counsel to prepare and file a petition and such other documents as may be necessary or appropriate to obtain judicial confirmation under the Judicial Confirmation Law of the legal issues set forth in the Affidavits and any additional legal issues which legal counsel deems appropriate to accomplish the said financing.
- 3. The Chairman, Vice Chairman, Secretary or Treasurer are hereby authorized to execute any documents necessary to accomplish the said judicial confirmation.
- 4. That this Resolution shall become effective immediately upon its adoption.
