TO: PDA Board of Commissioners

FROM: Charlene H. DeWally *CHD*

DATE: November 2, 1999

SUBJECT: Cancellation of November board meeting

This is notice that the November 9 monthly board meeting for the Pocatello Development Authority has been cancelled.

The absence of principal board members, as well as lack of significant agenda items until after the judicial validation hearing later this month, has prompted this decision.

The next meeting for the PDA Board of Commissioners will be held on December 14.
